MAKE SOME SWEET MUSIC**

OLIVIA: I love making love with a woman. Men are usually too rough. A woman will take her time and is going to love you the way you want to be loved. Sometimes when I close my eyes, I think it's me doing it to me.

BROWN SUGAR: I like using toys, but men only want to use their cock. With a toy and a woman, she'll do what you ask, the way you want it done. Unfortunately, toys don't usually bring much emotion with them.

BROWN SUGAR: If I was directing our video scene, I'd make Olivia my submissive bitch. She would be dressed in a lacey Victorian gown with her hair up and a lot of boobage showing. Then I'd slowly undress her. I'd be wearing pretty undergarments of the period and she'd help me out of them. Now we'd both be naked except for thigh-high cotton stockings with little bows at the top. Then we'd retire to the drawing room where I fuck her into the next century.

A woman with long dark hair is posing in a room with a purple wall. She is wearing a white lace thong and clear high-heeled sandals with silver straps. She is leaning forward, looking back over her shoulder at the camera. Her hands are resting on her hips. In the background, there is a painting with orange, blue, and pink colors, and a yellow object with the number '39193' on it.

In private, I'm much more cuddly. On camera, cuddling is never something the director asks you to do. I also like getting fucked doggy-style. I know that may sound lame, but it's actually my favorite position. Partly because I know my partner is getting a good view of my marvelous butt, and I like the fact that it's probably the position he can penetrate me the deepest.

ROXXIE'S PLAY DATE

I love spontaneous sex because in video shoots, all the sex is always orchestrated – when to start, when to stop, when to cum, even who I'm doing it with. If I'm out on the town with a guy and I get the urge, I'm going to find a secluded spot to take him to and do it right then and there. I don't have to cum in a situation like that, but the itch is there and, you know, you've got to scratch the itch.

In reality, we don't have sex often enough, with each other. We like to hang out together a lot, but it doesn't always turn into sex. We have a lot of fun just going out to clubs or shopping. – Otis, Birmingham, AL

To the Letters editor:

I have just fifteen minutes to write this letter. I'm an accountant in a large D.C. firm. Recently, more than thirty people were let go from their jobs and I've had to pick up a lot of their work. Last night I was working late with some others. When we finished, Ashton and I went to the train station as we always do.

On the way home, her stop is one past mine. OK. So the train pulls up and we get in. It's about 9:30 pm and there are lots of people on it. Most-

ly business people who were probably working late, too. We find a couple seats together and plop down our briefcases to the floor and settle back to look out the window.

The train pulls out and Ashton grabs the *Post* as if to read it. She opens it up and puts it over my lap. I ask her what's going on and she tells me to keep looking out the window. I oblige when I realize she is pulling down my zipper!!! OK. I'm all soft and such, but within a minute I'm all hard.

She is looking forward as if nothing is going on, but her hand is working my dick pumping the shaft as if the world was ending. I don't have time to tell you about fantasizing a scene like this or how hot I am for Ashton. So I have to just tell you what she did. OK?

I take my eyes from the view because we're now in a tunnel. The train lights flicker, but she just keeps pumping. Soon we surface and my stop is just minutes away. She changes her grip to use her nails. She pinches me and slides them up and down the shaft, letting her index finger poke my

balls. The bouncing and hum of the train is adding to my excitement and my feet are pushing hard on the floor beneath us.

Next stop and I'm about to pop. A couple exiting the train slow down to look at us. I think they know what was going on but went out their exit. That blew my concentration and we lost the rhythm. Next stop coming up and I won't finish in time. I see the stop's sign out the window and

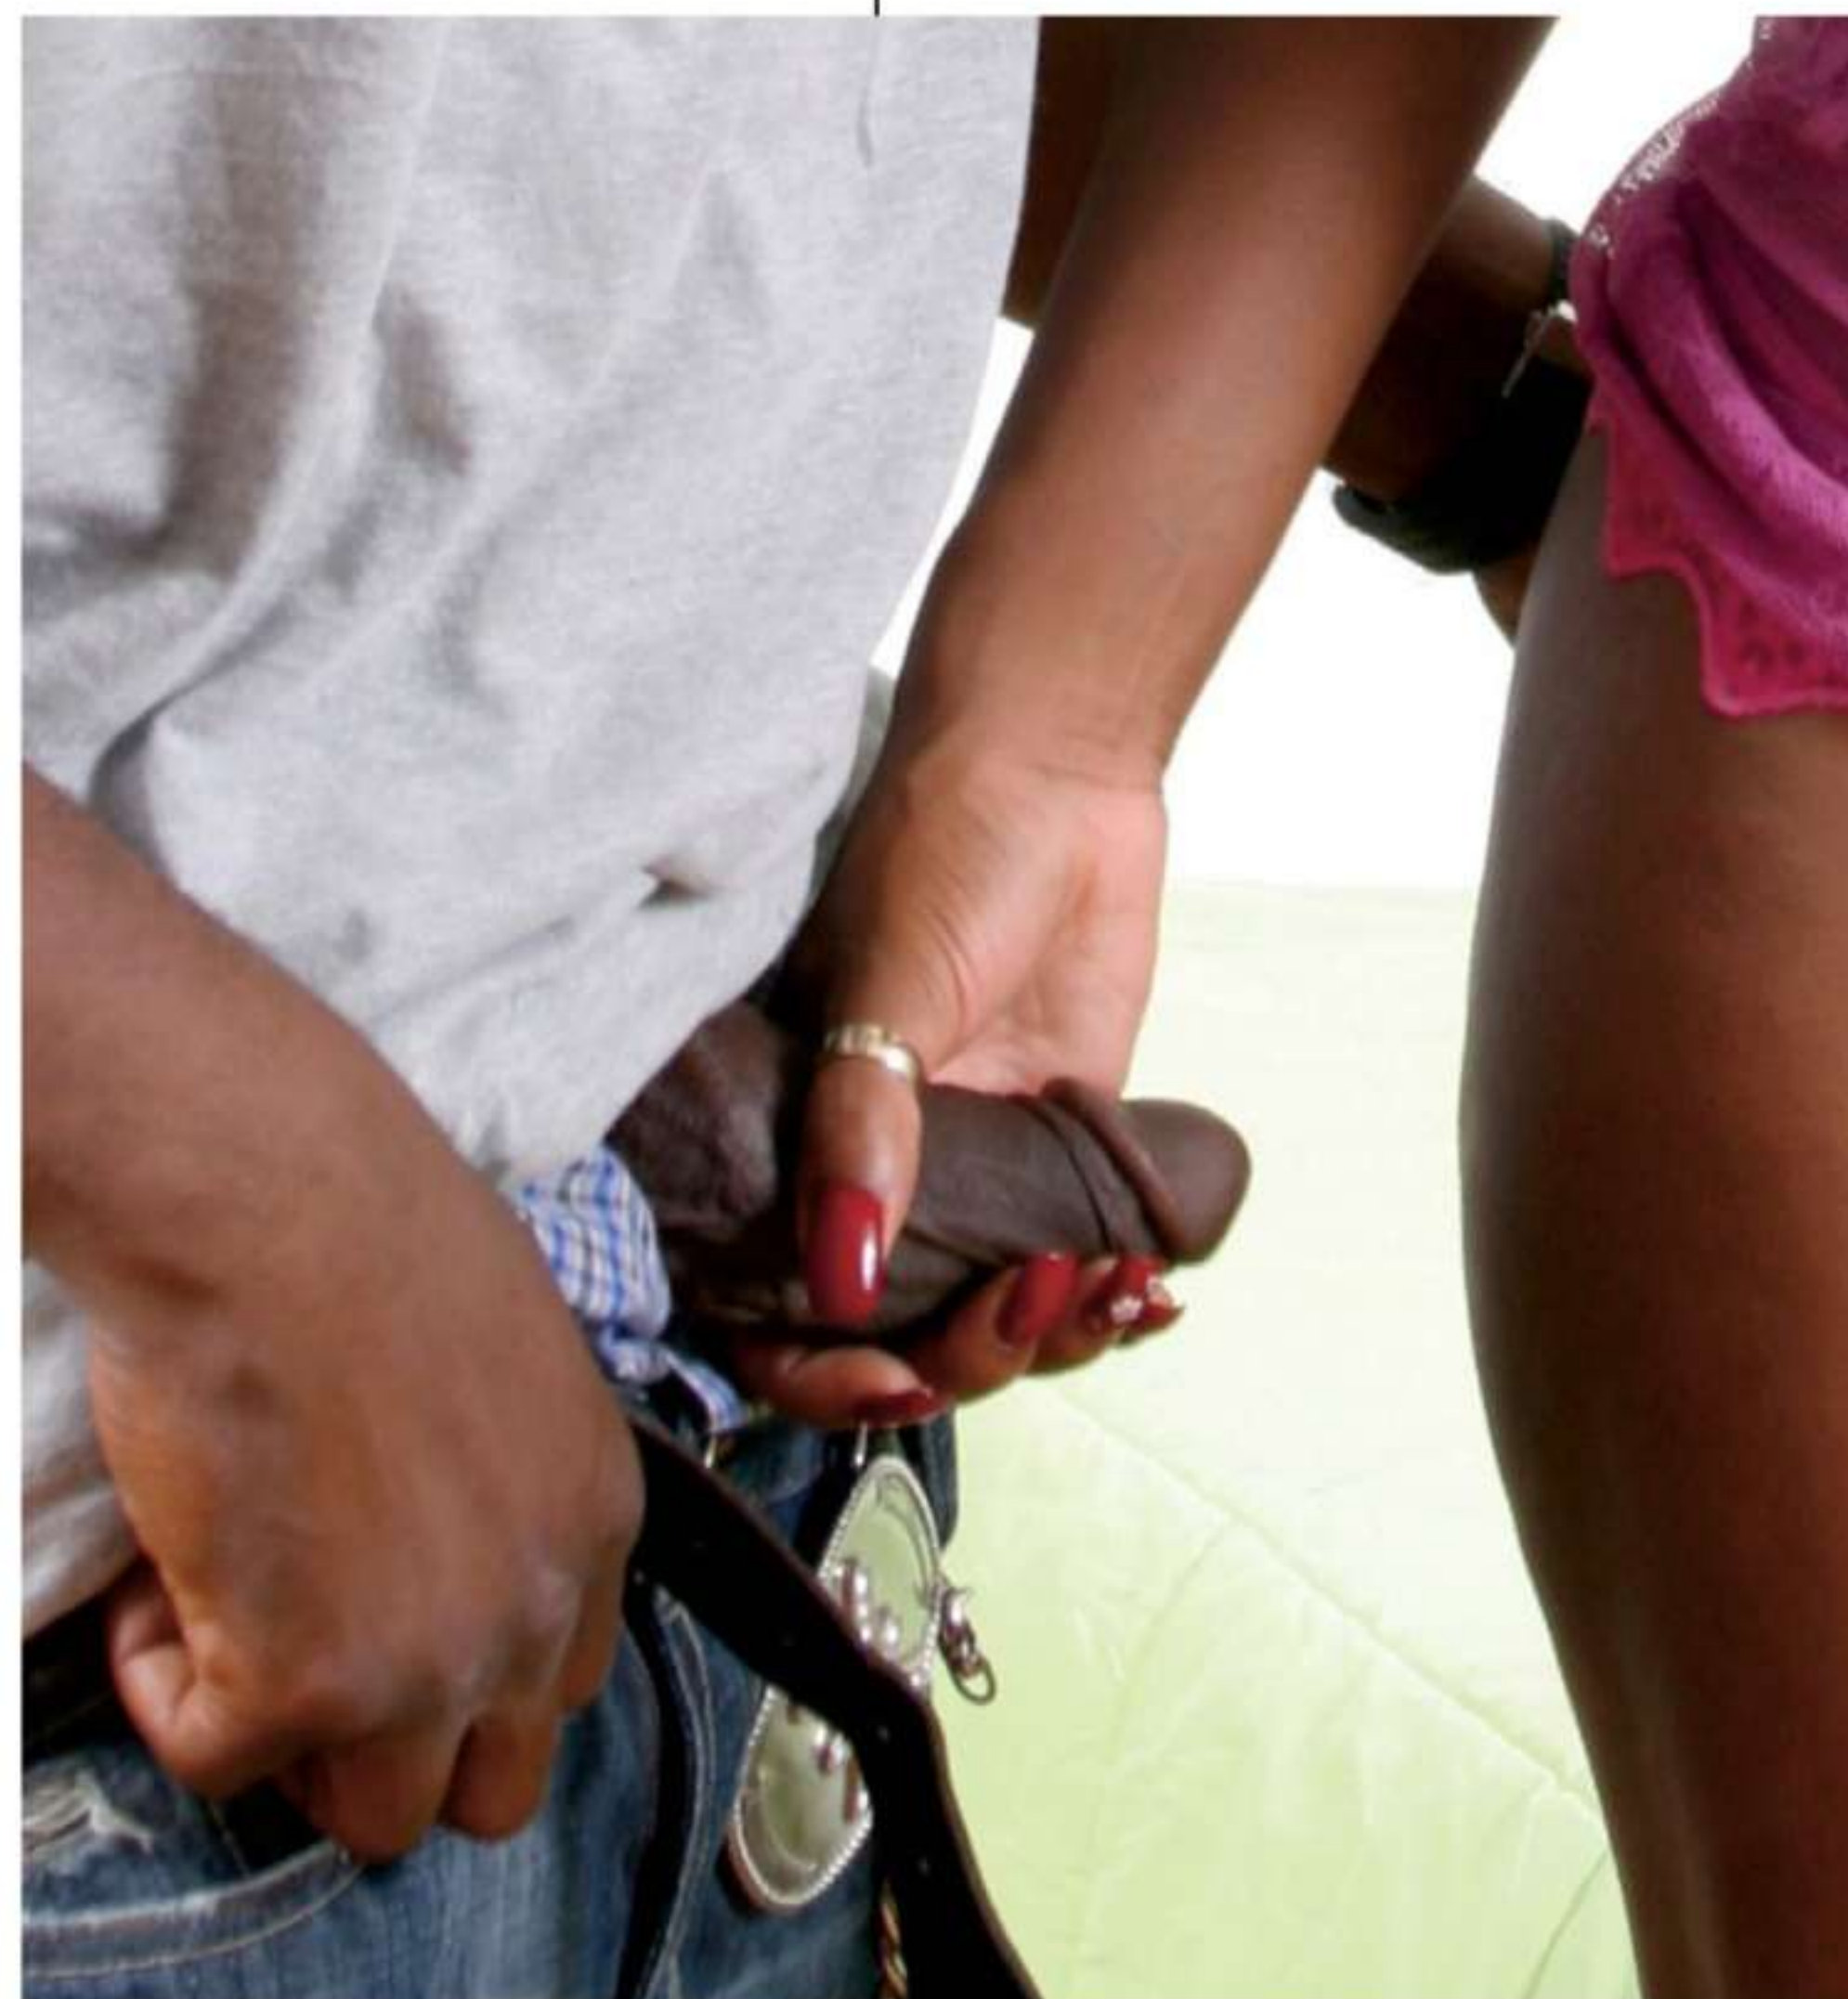

I look at her saying I have to go. She tells me to stay seated and continues to pump me. So after the doors close and I miss

my stop, within a few minutes I force myself to cum. Which I do into the newspaper.

She quickly folds it up and gets up to leave as the train pulls to her stop. I'm left with my dick hanging out, but I quickly shove it back in and zip up. Ok, I look up to see her hit the platform and the doors close behind her. I missed her stop, too.

OK, I just looked up and have missed my exit this morning. Looks like I'm going to be late for work, but at least I got this letter out to you.

– Erik, Alexandria, VA

Dena is more like a lion. She has a rockin' bod and looks like she just loves sex. She sure handled Byron's meat monster pretty well.

Editor --

I'm writing to give you guys kudos for the hot pictorial of Dena and Jayden. Man those two bitches are the bomb. I've seen Dena in pornos, but never in a magazine. And Jayden is fresh. I've never, ever seen her before. She's such a cutie. Where'd you guys find her? How did you do it?

in. For whatever you're voting on. When's the next issue coming out?

– Sam, New York City

Dear Black Dolls mag,

Thank you for Stacy Adams, even if she is with a white dude. I've been a big fan of hers for years because she's really hot with a kick-ass body. I like

was something always wanted to try and so I've put it into my little bag of tricks, too. That's the kinda girl I want. Maybe one day I'll get to perform it with her. I've enclosed a picture of myself and a return envelope for her to write to me. Will you be sure that she gets it?

– Lavon, Pittsburgh

and pornos you would think would help, but nothing is better than a girl shoving a colored dildo or vibrator into her pussy or another girl's pussy. Since I can't relate to cocks in the flesh, the colored plastic cocks are a much bigger turn on for me. And the thought of a chick pushing a plastic dick in her is more exciting to me than some dude's dick.

Not even the fleshy dildos turn me on, but if it's purple, red or blue, I can get hard instantly. And if the dildo or vibe has gnarly stuff poking out of it, like a second appendage or ribs or spikes, then that just sends me over the edge.

When I picked up your magazine and saw that girl tickling and sticking a purple vibe into that other girl's twat and then with her pussy inches from her face, I was hooked. While the other dildos in the pictorial were nice, the purple one was the bomb. Man, I loaded one up and shot it out. Keep up the good work, because that was the best money I've spent in a long time.

– Calvin, Long Island

Those boobs of hers are perfect. Dena is more like a lion. She has a rockin' bod and looks like she just loves sex. She sure handled Byron's meat monster pretty well. And man, what a great face. She looks like she could eat me up alive. Man, I came twice just looking at those photos. You got any more of them? If you're counting votes, count me

my women with a little meat on their bones, and big boobs, of course. And she would do anything.

She really knows how to fuck and suck. I also like the fact that she has a healthy butt. I'm into big butts on girls because you can man-handle them a little easier. Pick them up, turn them over. Do an upside-down 69. That

To the editor:

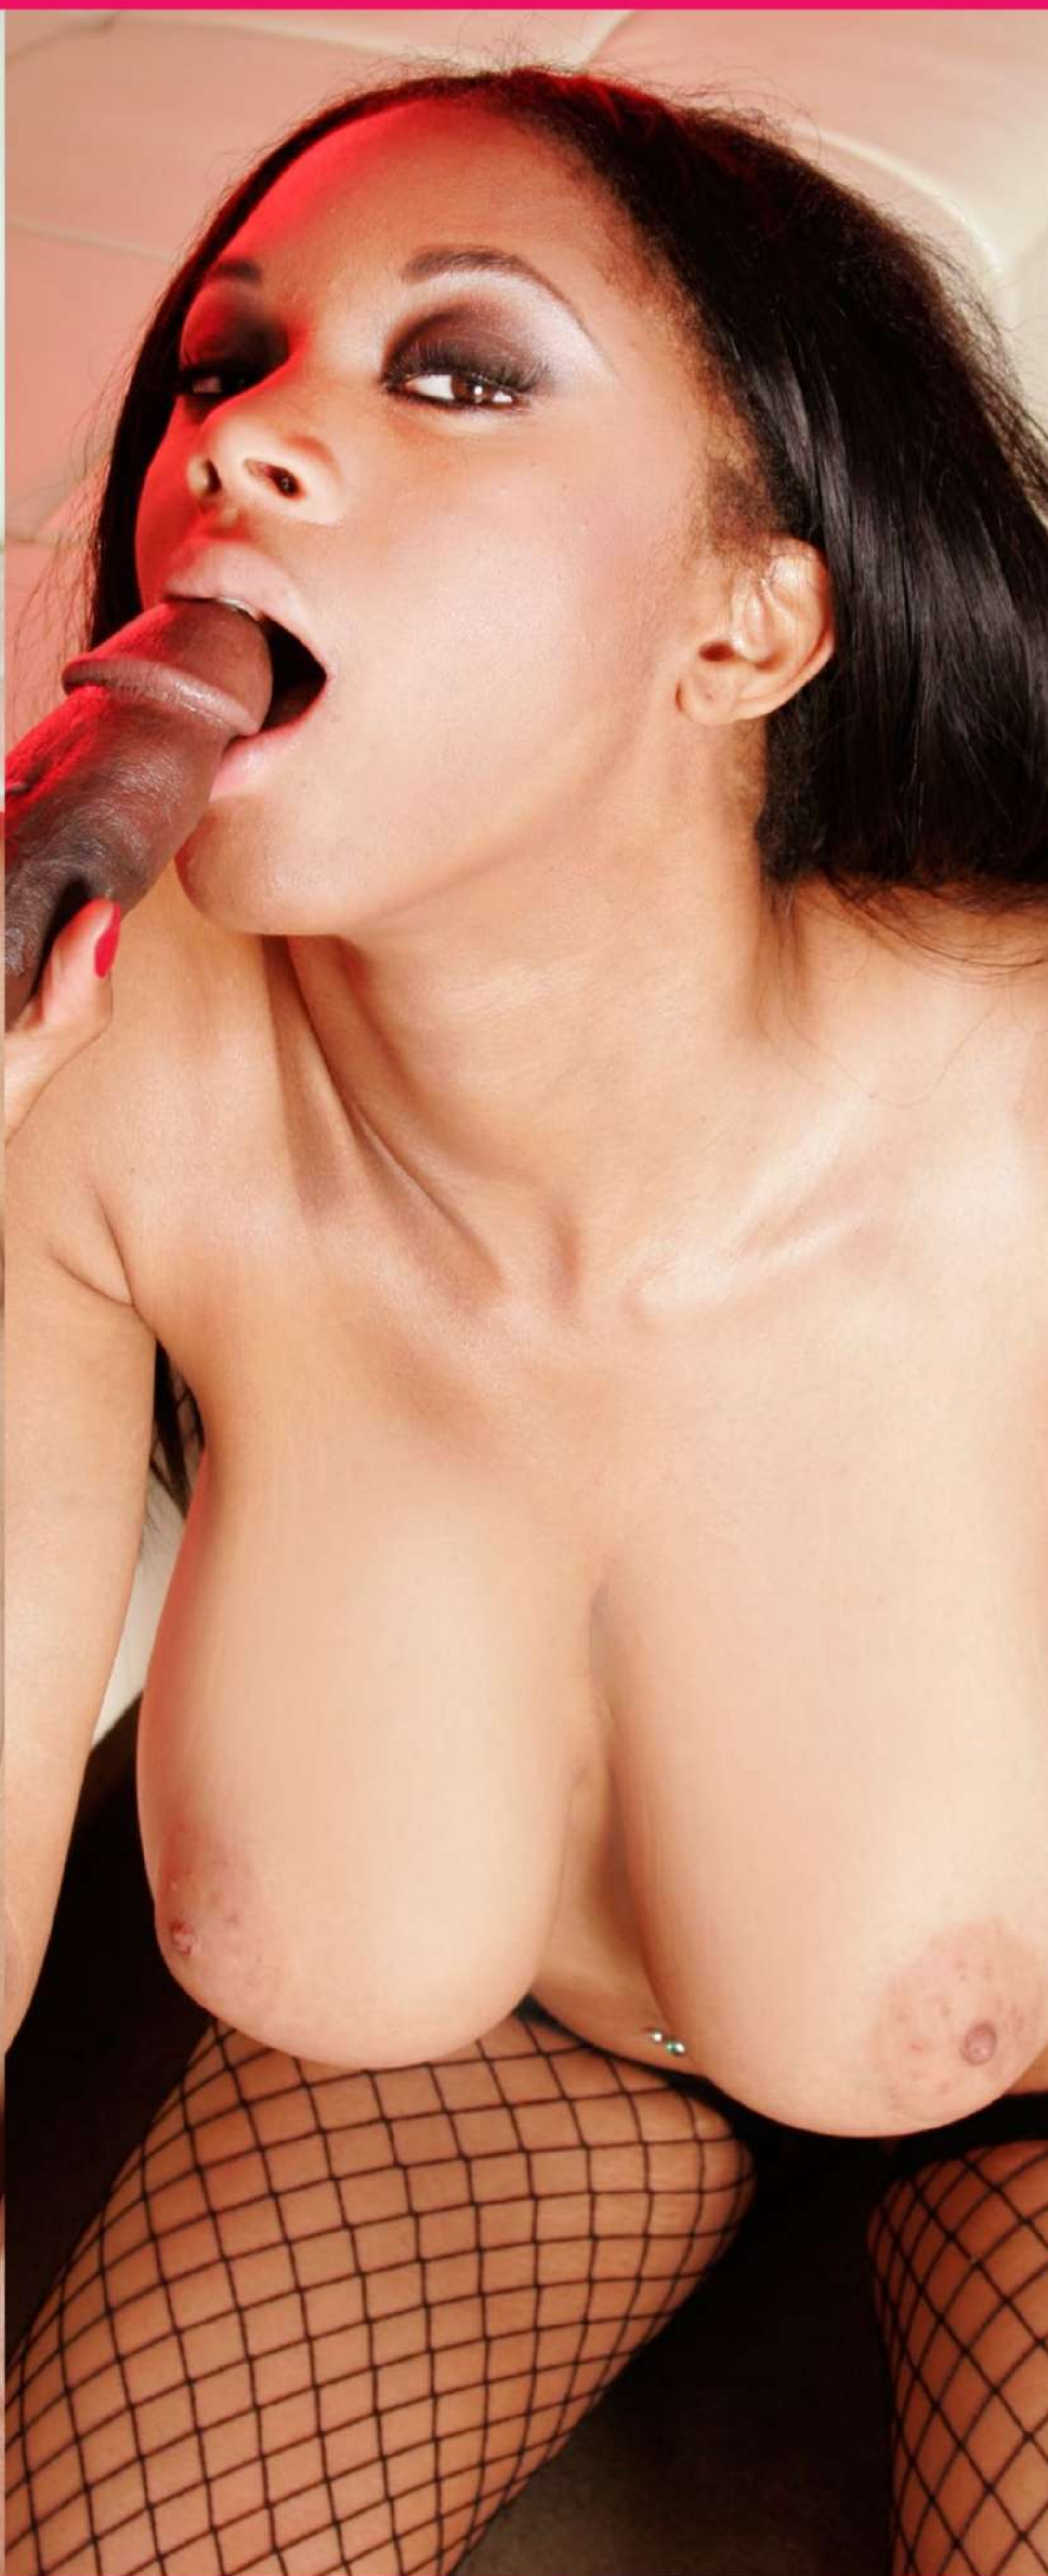

I'm a healthy thirty year-old guy who has a problem getting it up when I watch pornos of people fucking or pictures of them in magazines. I don't know if it's a medical thing, but I've lost it. I use to jack off a lot when I was younger, but they say that shouldn't matter. Looking at girlie mags

Last week I was at the market when I noticed this good-looking guy checking me out. I was wearing a tight t-top and bike shorts, so I know I looked good and all my assets were in the spotlight. He was taking too long to talk to me. I cornered him in the frozen foods section so my nipples would be hard. We went out that weekend and he turned out to be a bore. Maybe I need to find someone in the meat department.

A close-up photograph of two Black women lying in bed, looking directly at the camera. They are both unclothed. The woman on the left has dark hair and is wearing a small necklace with a red and white pendant. The woman on the right has dark hair and is wearing large, ornate silver earrings. They both have their mouths slightly open, showing their teeth, in a playful or surprised expression. The background is a light-colored, wrinkled sheet.

Guys: And if you do get two ladies into bed with you, be sure they like each other. Enough to the point that they will also fuck each other as well as you. Be sure you have the entire afternoon and evening free to enjoy yourselves. After you're done and you're all sweaty, we're sure that they'd want to clean up all that jizz you're going to spray on them — so fresh, clean towels are a must. Also, if it's at your place, have some fun stuff to do afterwards.

I got me a horny honey at home

Keesha and I have been married for three years and while we don't have any children, were hoping to within a couple years. She's 25 and I'm 35 and like any normal couple, we argue, we laugh, we talk, we have fun, we have trust... but apparently not as much as I thought?

Some four months ago, a job opportunity from another company came my way, but it was in another state. After much discussion with Keesha I took it. At first it was okay, Keesha wasn't working but kept herself busy. I put some long hours in and she was in charge of unpacking the house. After a while this got boring for her and we began arguing. I'd come home tired and she'd spent the day cooped up.

One day, without realizing it, the arguing seemed to stop. However, Keesha seemed more than happy at home and I even took a mini-vacation just to be home with her and try to rekindle some of the fun we had been missing. But I also noticed there was more than fun that was missing. I had to find out. The laptop computer was missing.

Well, not really missing, just not where I normally keep it and many a time it would be warm, or when I went to use it for my work, I would see that the history had been erased completely. I asked Keesha if she had been using it, but she said she really didn't know how to use it.

Keesha had been befriended by one of the neighbor ladies who asked her to go out with her friends for some

drinks. I encouraged her to go and make new friends and so that weekend, she joined the girls for a night out. Our neighbor was recently divorced so I thought it would be good to cheer her up. That Friday night I stayed in watching television and was still awake at midnight when I heard a noise outside the house. I looked out the window and saw a couple women get out of a taxi and went into the neighbor's house; the only one missing was my wife. The next thing I know is being woken up at 3:00 am by Keesha coming through the door. I asked her where she'd been and she said she had just got a taxi back with the girls. I even asked again the next morning and sat in disbelief as she said how all three

of them got a taxi back after club hopping. She did not know I had seen the other ladies exit the cab without her and that they were home at least 3 hours before her. It did not feel very good to catch her in lies like that.

I now noticed Keesha had started carrying her cell-phone constantly, never letting it out of her sight and putting it down only when she had to. When she served dinner I'd see she put the phone down

and I would have a minute alone with it when I knew she wouldn't catch me. Every night I would sneak a peek at her calls and see what kind of messages she was getting. About a week after her night out with the girls, I sneaked a quick look and saw an incoming call from "Vstor." It was disconcerting.

Then, on Wednesday, Keesha got a call from her mom saying her sister was in the hospital with a broken leg

It was time to shed the panties and get a full view of her wonderfully sexy ass. I slid them down to the ground and she stepped out of them.

and was coming home that day. She asked if Keesha would come for a while to help with the sister's kids. I said that would be a very nice thing to do as she probably can use the help since she's stuck in a wheelchair or on crutches for the time being. She packed her things and left the next morning. I took her to the airport and we hugged and kissed goodbye, wishing her a safe trip and to take good care of her sis.

We spoke on the phone a few times over the next couple days just to catch up and find out how her sister was progressing. On my way to work Friday morning I called Keesha and she answered but said she was pumping gas so she couldn't talk but would call me back in a while. It was 8:45 am so she couldn't be shopping already, so I phoned her sister's home. Sis answered and said Keesha was in the shower so she couldn't talk right now. Immediately, I called Keesha again and she was really short with me saying she was at the cashier and that she'd call me back later.

The day she got back she was so loving to me. I had planned to confront her but she couldn't do enough for me – so I let her. I guess the look on my face was enough because she stood up and leaned on the kitchen counter with her ass facing me. I couldn't believe this was happening, but I sure as hell wasn't going to hurt her feelings by not taking the next step. Sometimes a guy just has to suck it up and do the right thing.

I lifted her skirt slowly to reveal a lacy thong. She knew I liked them but didn't own any. I placed my open palms on her ass and rubbed her backside from top to bottom and then all around. I squeezed and even pinched her

soft, smooth cheeks. I brought a hand down between her legs and fondled her pussy, feeling the moisture seeping through the thin material. I heard her take in a deep breath and slowly let it out; I think she was enjoying this as much as I was, perhaps even more.

What I really wanted to do was rip her panties off, but instead, I did it slowly. As I pulled, I placed my wet tongue just above the top of her panties, licking and kissing as I pulled them lower and lower. I ran my tongue down to her crack from her spine almost to her tight little hole and I heard her groan. She smelled great too. She had never let me get this close to her ass before. What made her allow this? But not being one to complain, I continued with my exploration in hopes that it could continue even farther.

It was time to shed the panties and get a full view of her wonderfully sexy ass. I slid them down to the ground and she stepped out of them. I picked them up and put them to my nose taking in a big whiff. I believe my cock grew another inch! My tongue made its way back to her ass and I licked her all over while playing with her pussy. I pressed a finger inside her moist, heavenly hot flesh while I licked her asshole. The

juice was positively running out of her and she was swaying back and forth while moaning a deep growl.

It was time to release my cock; it wasn't fair leaving it all cooped up inside a pants. She must have seen me do this because she let out a loud moan. I buried my tongue into her ass as far as it would go but she was extremely tight. First time I ever wondered if she was an anal virgin. Keesha was very tight and refused to relax her muscles.

She looks up at me with big doe eyes and opens her mouth wide, flashing perfect teeth, and she pulls me into the big, wide beautiful hole!

Was my initiative too strong? But she was the one that started all this with her backside. I thought, if a tongue can't get in there, maybe a finger can. I scooped up a large handful of her pussy juice and rubbed it into her asshole, figuring that the more lube the better. I started rubbing my finger around her hole slowly, pressing more and more while playing with her pussy and clit. She was groaning louder and louder and her legs were beginning to shake. I think she was very close to a climax so I kept going.

Little by little, my finger slipped inside her and she was shaking more and more. First one knuckle and when I went to the second knuckle I heard a small scream. This was getting intense and I started stroking my cock. Now was the time! I buried the whole finger into her ass and she went off like fireworks. She put her arm across her mouth to stifle the scream and her whole body shook and went rigid. Juice just poured out of her pussy down her legs and onto the kitchen floor. This had to be one of the most intense orgasms I have ever seen Keesha have!

I slowly pulled my finger out of her and she seemed to relax a little as her climax subsided. Her legs folded under her so I grabbed her by the waist and sat her down on a chair as she collapsed onto my lap. I pulled her dress back up and gently rubbed my hand all over her ass and pussy, enjoying the moment and the feel of her. Slowly she began to stir. She looked up at me with a contented smile.

"I have never experienced an orgasm like that in my life, babe. I know I've been a little stand-offish lately, so I wanted to do something special for you – and it turned out good for me, too. I never thought I was going to do it, but I had been practicing with small dildos

and anal probes to get used to it, so I can do it with you." she said.

"Well, it was just as enjoyable for me as it was for you. I was thinking all sorts of bad things, but now that you told me, I can go on thinking all sorts of other bad things. You won't mind, will you?" I said back to her.

She sat up and gave me a big hug and a wet, open-mouthed kiss that made me hard again. She must have felt me pressing against her because she said, "No I won't mind, but now it's your turn to get off?"

Keesha turns in her chair, unzips my pants and pulls out my throbbing cock. She looks up at me with big doe eyes and opens her mouth wide, flashing perfect teeth, and she pulls me into the big, wide beautiful hole! I

put my hand behind her head and help her with the rhythm of her blow job. She puts her hands behind me on my butt cheeks and pulls me deeper into her mouth.

Then she pushes my cock up against my belly and starts licking and sucking on my balls. Keesha knew how much I liked that and did it for several minutes. I undid my shirt and instantly her hands flew up and she started tweaking my nipples, another turn on

for me. She pinched and squeezed them as she sucked my rigid cock.

Then after another pinch and squeeze of my nipples, I exploded in her mouth and she took it all in. She sucked every drop from me and swallowed it all. Holding my cock in her mouth, I felt her tongue circling the head, teasing me even more. Finally, she released my cock and I pulled her up to her feet, picked her up and carried her into the bedroom. The vibes had been all laid out!

A woman with long dark hair is posing in a red corset with white laces, black fishnet sleeves, and red fishnet stockings. She is wearing black high-heeled shoes and is sitting on a wooden floor, leaning back against a large window. She is looking over her shoulder at the camera. The window shows a view of a swimming pool and some greenery outside.

It's not every day that I want my butt fucked, but when I do I want the guy to remember it. That's because I take time to properly cleanse and perfume my butt, so when he goes back there, he'll remember my scent and the special thing I've done for him. Then I'll work those muscles and get them into fucking shape before he sets even one inch of his cock into my back door. But none of that is going to happen until he gets the best blowjob he's ever had!

ARIEL'S BEAUTIFUL BOOTY BASHING

At night, I dream of you watching me fuck and suck someone just so you can watch. I bet you get a hard on just thinking it. Then I would be there just to help you get off. I would take your hand away from your cock and replace it with mine, and then with my mouth, and then with my pussy, and then with my fine ass. And your huge cock would be deep inside me and I'd be screaming to make me gush sweet pussy juices on you.

We think it's pretty obvious. We've been good friends – and lovers – for a long time. We knew each other in college, but it was a few years later when we started seeing one another sexually. And we've been in lezzie heaven ever since. Yeah, we like guys, but it's so much fun to fuck each other.
